Testimonial for Robert Vickers – Grow well gardens

I asked Rob to have a look at a garden fence panel which had blown down at our tenanted house. Rob attended the property really promptly and called me back straight away with a really reasonable quote. He liaised with my tenant directly to gain access at a time to suit her and was extremely professional and courteous throughout.

He did a brilliant job on the fence at a brilliant price and I would not hesitate to recommend Rob to friends and family.

Yours sincerely
