I would like to take this opportunity to thank Rob Vickers of Grow Well Gardens.

I have recently instructed his firm to extend the patio area to my house and was extremely pleased with the service I received.

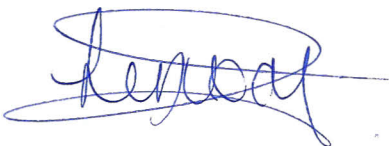

I met Rob at BNI on the morning that he gave his "10 minute presentation". I asked him to visit my house to give me a quote for the work in the garden. I immediately felt at ease with him and found him to be very approachable.

Rob later visited my house and provided me with a quote. He was very friendly but professional and I felt comfortable with him.

The work which was undertaken was done by two of Rob's employees, who again were very nice and did an excellent job. I was pleased that Rob then telephoned me afterwards to ensure I was happy with the work which had been done; which I was.

At all times the team have been a pleasure to deal with and I will certainly be using Grow Well Gardens in the future.

I would have no hesitation in recommending Grow Well Gardens.
