Dear Rob

Testimonial

My back garden was being swapped by three huge conifers and a number of large over grown bushes which collectively were too much for me to tackle.

I had previously sought a number of estimates but had not gone ahead with the work because I was concerned about the reliability and level of competency of other suppliers.

Rob provided excellent advice, a prompt estimate and stuck to the date agreed. He and his colleague cut down my trees and pruned my shrubbery, taking away all the resulting debris and leaving my garden considerably improved.

I was very impressed with their professional and cost-effective service and would not hesitate to recommend them to my neighbours and friends.

Kind regards

Lucy Carey
