

Dear Rob.

14th August 2012

Being way too busy in my business or perhaps way too lazy to do it myself.

I decided that my bushes round the back needed a bit of a trim. Only one man came to mind and that was Rob Vickers of Growwell Gardens.

Rob called me to arrange an appointment and turned up bang on time with ^{his} assistant John, got to work right away. In a short space of time, with the use of many impressive power tools, what seem like a big job to me was done and dusted in no time.

Trees clipped, hedges pruned, weeds destroyed and all the trimmings were cleaned up and taken away revealing our bright clean path.

In addition to this he was very nice to my Jackadoodle Elvis, who is delighted to see more assessable trees

It may have not been the biggest job Rob has done but from our point of view it was a job well done

We are honestly very pleased with the work and have no hesitation in recommending Rob to any of my clients, friend s or relatives.

Shaun A. Conboy

Many thanks Shaun A Conboy

and Elvis
